#### **Local Non-profit solicits community projects**

***Rebuilding Together-St. Louis in search of community projects for upcoming spring rehabilitation cycle***

**WEBSTER GROVES, Mo. – Rebuilding Together-St. Louis** is seeking community projects for its Rebuilding Day in the spring of 2009. Rebuilding Together-St. Louis brings volunteers and communities together to improve the homes and lives of low-income homeowners, particularly the elderly and disabled. Volunteers provide much needed home repairs to low-income homeowners at no cost and volunteers are utilized in community projects throughout the year.

Lynne Rajani, Executive Director for Rebuilding Together-St. Louis said, “Rebuilding Together-St. Louis wants to help a non-profit agency that needs repairs to its facility. Rebuilding Together-St. Louis provides repairs to facilities leveraging skilled and unskilled volunteers to complete the work.” Continued Rajani, “For community projects, Rebuilding Together – St. Louis can provide the opportunity for small groups of 10 volunteers or larger groups of 400 volunteers to complete the projects.”

Those interested can view the website at [www.rebuildingtogether-stl.org](http://www.rebuildingtogether-stl.org) under How to Apply and view the application. Any project, large or small, will be considered. Any community agency that needs assistance is encouraged to complete the Community Agency Application and submit it to Rebuilding Together-St. Louis by **January 10, 2008**. For questions, contact Monica Carroll at 314.919.9918 x32 or at [mcarroll@rebuildingtogether-stl.org](mailto:mcarroll@rebuildingtogether-stl.org).

Rebuilding Together – St. Louis is an affiliate of a [national volunteer organization](#). The mission of Rebuilding Together-St. Louis is to bring volunteers and communities together to improve the homes and lives of low-income homeowners, particularly the elderly and disabled. For more information, call 314.918.9918 or visit [www.rebuildingtogether-stl.org](http://www.rebuildingtogether-stl.org).
